

SAINT PAUL BILLBOARDS

Brown Bag Lunch

SLIDESHOW & DISCUSSION

Wednesday, January 21, 2009 at Noon

in Room 40 of City Hall (lower level)

There will be an open discussion and brown bag lunch for anyone concerned with Saint Paul's environment, quality of life and scenic beauty. The highlight of this brown bag lunch will be the "world premiere" of a video slideshow, produced by Scenic Saint Paul volunteers, showing every billboard in Saint Paul – all 561 of them – ward by ward.

We invite people on all sides of this issue, including district councils, community business associations, city staff, elected officials, chambers of commerce, and the billboard industry, to engage in a meaningful discussion about the future of outdoor advertising in Saint Paul. Whether you appreciate billboards or not, it is our goal to share information regarding the impact that city and state legislation has had on this issue in Saint Paul.

When: Wednesday, January 21, 2009, from Noon to 1pm

Where: Room 40 in the lower level of the City Hall/Court House

Cookies and beverages will be provided. Please bring your own lunch.
